Make It Yours

We place a pouch on the front and MOLLE panels on both sides to allow for additional items to be added, making them quickly accessible.

Another feature is a latex glove box holder, securely fastened to the side for quick access. This feature has adjustable straps to accommodate different size boxes.

The front area is designed to accommodate hanging file folders.

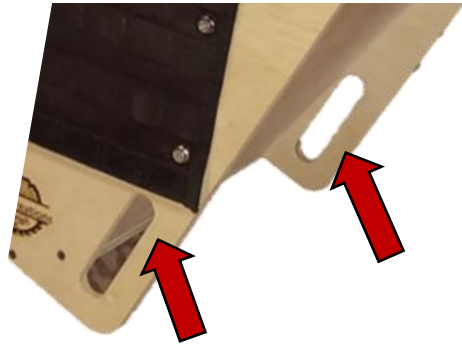

*We use laser engraving
and can customize a graphic
on both sides of the lid.*

The back area is designed for keeping miscellaneous items needed that are stored neatly away.

A unique feature of our box is the exposed seat belt loops. Secures box quickly and easily to the seat and allows for quick Seat Box transfer to another vehicle.
